

INTRODUCTION TO THE DC: 0-3™
**Diagnosing Mental Health and Developmental Disorders in Very
Young Children**

Tuesday, April 26, 2005 9:00 a.m. – 4:00 p.m.
Earle Brown Heritage Center
6155 Earle Brown Drive
Brooklyn Center, MN
Direction line: 763-569-3455

Summary: This interactive session introduces mental health practitioners and other interested professionals to a system for diagnosing the mental health and developmental disorders of very young children. This system takes into account the unique developmental and relational needs of very young children.

Presenter: Molly Romer Witten, Ph.D.

Target Audience: All enrolled Minnesota Health Care Programs (MCHP) mental health professionals who work with children are encouraged to attend. Mental health professionals, IEIC members, Head Start staff, and county workers who work with very young children.

CEU: This workshop has been approved by the following professional organizations for Continuing Education Units (CEU): The Board of Social Work, Board of Psychology, and the Board of Marriage and Family Therapy.
Credit may also be sought from the Board of Nursing.

This presentation is free of charge. However, seating is limited and early reservations are recommended. For reservations please contact: John Marino, 651-297-5242, fax: 651-215-5714 or by e-mail: john.marino@state.mn.us, no later than April 15, 2005.

Suggested materials for this workshop may be purchased from www.zerotothree.org/bookstore. Efforts are being made to have some materials available for purchase on site, on the day of the workshop.
