Sen. Joseph Griffo
NY	A 9553	Referred to Assembly Governmental Operations Committee	Importation	Would establish program authorizing Superintendent of State Police to investigate actual and or suspected cases of reimportation of unsafe drugs. Would authorize Superintendent of State Police to establish uniform procedures for investigation and receipt of such complaints from other agencies. Would require Commissioner of Health to establish registry of websites and entities that offer or provide mechanism to sell prescription drugs to consumers in New York from another country.	Asm. Steven Englebright

## State Prescription Drug Legislative Tracker 2018

	Bill	Status	Category	Summary	Primary Sponsor
OK	SB 1573	Second reading referred to Judiciary	Rate Setting	Would require pharmacy claims payers to specify sources used to determine maximum allowable cost (MAC) reimbursement for generic drugs. Would require payers to update MAC generic pricing list every 7 days and would require readily available access to MAC amounts to be given to providers. Would create an appeals process for providers to contest reimbursement amounts. Would prohibit pharmacy benefit managers from requiring accreditation or licensing of providers other than by State Board of Pharmacy.	Sen. Rob Standridge
OK	SB 1381	Second Reading referred to Health and Human Services Committee and then to Appropriations Committee	Importation	Would require the Oklahoma Health Care Authority to submit an application to the Secretary to permit prescription drug importation from Canada by August 2018 that meets federal requirements for drug safety and consumer savings.	Sen. Robert Standridge
OR	HB 4151	Referred to Ways and Means	Volume Purchasing	Would require state agencies including the Public Employees' Benefit Board, Oregon Educators Benefit Board, Public Employees Retirement System and Oregon Health and Science University to purchase prescription drugs through the Oregon Prescription Drug Program. Would authorize the program to purchase prescription drugs, replenish prescription drugs dispensed or reimburse pharmacies for prescription drugs in order to receive discounted prices and rebates. Would appoint an administrator and authorize administrator to handle select responsibilities including but not limited to negotiating price discounts and rebates on prescription drugs with prescription drug manufacturers or group purchasing organizations.	Rep. Andrea Salinas, Rep. Mitch Greenlick
OR	HB 4103	Public Hearing and Possible Work Session Scheduled for 2/12/18 in House Health Care Committee	Pharmacy Benefit Managers	Would prohibit pharmacy benefit managers from incentivizing mail order pharmacies over retail pharmacies. Pharmacy benefit managers would be prohibited from imposing additional licensing, accreditation and credentialing of licensed pharmacist in addition to those required by the State Board of Pharmacy. Pharmacy benefit managers would be required to disclose any financial incentives offered by a mail order pharmacy to the pharmacy benefit manager provided the pharmacy benefit manager uses a mail order pharmacy instead of retail pharmacy.	Rep. Teresa Alonso Leon, Sen. Bill Hansell
OR	HB 4005	Work Session Held 2/23/18	Transparency	Would require drug manufacturers to annually report prices of prescription drugs and costs associated with developing and marketing prescription drugs to the Department of Consumer and Business Services. Would impose penalties on manufacturers for failure to comply with reporting requirements. Would require health insurers, that offer prescription drug benefits, to report to the department information about prescription drug prices and the impact of prescription drug prices on premium rates. Would authorize the department to adopt by rule fees on manufacturers. Would require the Department to conduct annual public hearings on prescription drug prices reported by manufacturers.	Rep. Robert Nosse, Rep. Ronald Noble, Sen. Leslee Beyer, Sen. Dennis Linthicum
PA	SB 637	First consideration 12/13/2017	Transparency; Pharmacy Benefit Managers	Would require each manufacturer to report to the state information about the costs of each prescription medication that is available in the state, including information about the total cost of research and development, costs of clinical trials, administrative costs, marketing, and a calmatve history of price increases and profits. Manufacturers must also submit information about patient assistance programs and the aggregate amount of rebates offered to all payers. Pharmacy benefit managers may not prohibit pharmacists from disclosing information that would reduce out of pocket costs. The Department of Health Information would create a public report but will only include the aggregate amount of rebates.	Sen. Donald White
RI	H 7022	Committee recommended measure for further study	Price Gouging	Would prohibit price gouging of brand or generic pharmaceuticals in times of market shortages that result in a declaration of market emergency by the governor. Violations subject to felony charges, imprisonment and fines and injunctive relief.	Rep. John Lombardi, Rep. David Coughlin, Rep. Anastasia Williams, Rep. Raymond Hull
RI	H 7004	House Corporations Committee recommended measure be held for further study	Transparency	Would require State Board of Pharmacy to identify up to 15 prescription drugs for which the state spends significant money and for which the wholesale acquisition cost has increased by 50% or more over the past 5 years or increased by 15% or more over the past 12 months. Would require prescription drug manufacturer to provide justification of price increase to the Office of the Attorney General.	Rep. John Lombardi, Rep. David Coughlin, Rep. Anastasia Williams, Rep. Raymond Hull
RI	H 7042	Committee recommended measure be held for further study.	Transparency	Would require the state board of pharmacy to annually develop a list of critical prescription drugs for when there is substantial public interest in understanding the development of drug prices that when identified, require manufacturer reporting of costs of development, production and sales, U.S. net prices and ex U.S. prices.	Rep. Aaron Regunberg, Rep. Lauren Carson, Rep. Greg Amore, Rep. Patricia Serpa, Rep. James McLaughlin
RI	H 7684	Referred to Health, Education and Welfare Committee	Pharmacy Benefit Managers	Would establish audit requirements for pharmacy benefit managerpharmacy benefit managers and establish annual reporting requirements for health insurers.	Rep. Raymond Hull, Rep. John Lombardi, Rep. Mary Messier, Rep. Michael Morin, Rep. Katherine Kazarian
SC	S 0815	Referred to Committee on Banking and Insurance	Pharmacy Benefit Managers	Would prohibit pharmacy benefit managers from taking certain actions: ban a pharmacy or pharmacist from disclosing information on cost share and clinical efficacy of alternative drugs; requiring an insured to use mail order pharmaceutical distributors; charging or collecting a copayment that exceeds charges paid to pharmacy; and charging adjudication fee for a claim.	Sen. Michael Gambrell
SC	H 4490	Referred to Committee on Medical, Military, Public and Municipal Affairs	Pharmacy Benefit Managers Transparency	Would require drug manufacturers to submit reports to the Department of Health and Environmental Control for diabetes products when the price increases relative to the increase in the medical component of the consumer price index. Information reported would include market analysis, research, production and marketing costs among other information. There are financial penalties for failure to comply. Would require pharmacy benefit managers to report on the total rebates received for diabetes products, the amount of those rebates retained by the pharmacy benefit managers and other information. Would require all groups that advocate for people with diabetes to disclose the funding received from the drug industry. Information reported could be made public.	Rep. Cezar McKnight

## State Prescription Drug Legislative Tracker 2018

	Bill	Status	Category	Summary	Primary Sponsor
SD	SB 141	House of Representatives, Do Pass	Pharmacy Benefit Managers Transparency	Would prohibit a pharmacy benefits manager from prohibiting or penalizing a pharmacist or pharmacy for providing cost sharing information on the amount a covered individual may pay for a particular prescription drug.	Sen. Alan Solano
TN	HB 1857	Assigned to Insurance and Banking Subcommittee	Pharmacy Benefit Managers	Would require that a pharmacy benefits manager obtain a license through the Department of Commerce and Insurance. Would impose a fine on pharmacy benefit manager for failure to obtain license.	Rep. Dennis Powers
TN	HB 327	Assigned to Insuranc and Banking Subcommittee	Pharmacy Benefit Managers	Would prohibit a state agency from entering into a contract with a pharmacy benefit manager that requires a covered individual to use a retail, mail order or specialty pharmacy in which the pharmacy benefit manager has ownership interest or that has ownership in the pharmacy benefit manager. Would prohibit a state agency from entering into a contract with pharmacy benefit manager that provides an incentive or other benefit to covered individual that encourages them to use a retail, mail order, or specialty pharmacy that has ownership interest in pharmacy benefit manager or pharmacy benefit has ownership in. Would require pharmacy benefit manager to disclose to Commissioner of Finance and Administration any ownership interest in any organization or company that is related to the provision of pharmacy services or a pharmaceutical manufacturer.	Rep. Curtis Johnson

Rep. Norman Thurston
UT	SB 208	Hearing scheduled for 2/21/18 in Senate Health and Human Services Committee	Pharmacy Benefit Managers	Would require a pharmacy benefit manager pharmacy benefit manager to report to pharmacies the amount of direct or indirect remuneration related to the sale, the reason for direct/indirect remuneration, if the direct/indirect remuneration is a reduction in total compensation, and what the pharmacy can do to prevent direct/indirect remuneration in the future. Would prohibit a pharmacy benefit manager from preventing a pharmacist from disclosing cost information to a patient.	Sen. Evan Vickers
VA	HB 573	Passed by indefinitely in Commerce and Labor	Pharmacy Benefit Managers	For purposes of calculating the Medical Loss Ration in annual rate filings, would require insurers to count as administrative costs, the fees paid to their pharmacy benefit managers.	Del. Keith Hodges
VA	HB 1302	Tabled in Commerce and Labor	Pharmacy Benefit Managers	Would prohibit any contract between a health carrier or its pharmacy benefit managers and a pharmacy or pharmacist from containing a provision that requires an enrollee to make a copayment for a covered prescription drug in an amount that exceeds the least of (i) the applicable copayment for the prescription drug or (ii) the cash price the enrollee would pay for the prescription drug if the enrollee purchased the prescription drug without using the enrollee's health plan.	Del. Kathy Byron
VA	SB 933	Referred to House Committee on Commerce and Labor	Rate Setting	Would require a health carrier, pharmacy benefit manager, pharmacy or pharmacist from charging an enrollee a drug copayment that is the lesser of applicable insurance copayment or the cash price without using enrollee's health plan.	Sen. Richard Saslaw
VA	SB 223	Passed indefinitely in Education and Health	Price Gouging	Would prohibit price gouging in the sale of essential off patent or generic drugs by requiring the Director of the Department of Medical Assistance to notify the Attorney General of excessive price increases. Would authorize the Secretary of Health and Human Resources to designate drugs as essential drugs. Would authorize the Attorney General to issue a civil investigative demand.	Sen. John Edwards
VA	HB 1177	Referred to Committee on Commerce and Labor	Pharmacy Benefit Managers	Would establish prohibited acts for pharmacy benefit managers. Would prohibit provider contracts from including provisions that bar pharmacists from discussing lower-cost alternative drugs with consumers and selling lower-cost alternative drugs to consumers or using contract terms to prevent pharmacies from providing store direct delivery services.	Del. Todd Pillion
VT	S 175	Referred to Committee on Appropriations	Importation; Bulk Purchasing; Transparency	Would establish a wholesale importation program to import predetermined high-cost drugs from Canada. Would create a bulk purchasing program through the Department of Health. Would require that manufacturers submit notice before introducing new, high-cost drugs to the market. Would require health insurers to provide information on the impact of prescription drug spending on premium rates as part of their annual rate review.	Sen. Tim Ashe
VT	S 163	Referred to Committee on Health and Welfare	Volume Purchasing	Would have Agency of Human Services explore ways to work with other states to create a public pharmacy benefit management program in order to contain prescription drug cost, determine prescription drug formularies and increase transparency of pharmacy benefit management.	Sen. Claire Ayer
VT	H 886	Referred to Committee on Health Care	Pharmacy Benefit Managers	Would prohibit a pharmacy benefit manager or other entity paying pharmacy claims from prohibiting or penalizing a pharmacy or pharmacist from informing the patient of the cash price of a prescription drug.	Rep. James Harrison
VT	H 713	Referred to Committee on Health Care	Price Gouging	Would prohibit a pharmaceutical manufacturer or wholesaler from price gouging on sales of essential off patent or generic drugs. Would require the Department of Vermont Health Access to report any suspected price gouging to the Attorney General.	Rep. William Lippert
WA	SB 5995	Refer to Ways and Means	Price Gouging	Declares that excessive price increases for generic medications are a violation of the consumer protection act. The Health Commission may declare an increase to be excessive following an increase in wholesale acquisition cost of more than one hundred percent within a 12 month period. The case is then referred to the attorney general.	Sen. Karen Keiser
WA	SB 5699	Referred to Senate Health and Long Term Care Committee	Pharmacy Benefit Managers	Would allow network pharmacies to appeal payments made by the pharmacy benefit manager. Would prohibit pharmacy benefit managers from placing a drug on a list of drugs for which predetermine costs have been established unless there are two therapeutically equivalent multiple source drugs or at least one generic drug available from only one manufacturer.	Sen. Anna Rivers
WA	HB 2623	Referred to Health Care and Wellness Committee	Pharmacy Benefit Managers Transparency	Would prohibit insurers and pharmacy benefit managers from penalizing a pharmacy or pharmacist for disclosing to the consumer information about the cost of the prescription and alternative methods of purchasing the prescription including but not limited to paying cash price	Rep. Matt Man Weller
WA	HB 2296	Hearing scheduled for 2/19/18 in Senate Committee on Health and Long Term Care	Pharmacy Benefit Managers	Would prohibit pharmacy benefit managers from prohibiting pharmacists from disclosing specified information to an individual purchasing a drug (i.e. the availability of any alternative less expensive medications).	Rep. Bandana Slater
WA	SB 6026	Referred to Senate Ways and Means Committee	Pharmacy Benefit Managers	Would prohibit pharmacy benefit managers from prohibiting pharmacists from disclosing specified information to an individual purchasing a drug (i.e. the availability of any alternative less expensive medications).	Sen. Patty Murderer

## State Prescription Drug Legislative Tracker 2018

	Bill	Status	Category	Summary	Primary Sponsor
WA	HB 1541	Hearing scheduled for 2/19/18 in Senate Committee on Health and Long Term Care	Transparency	Would require health plan issuer to submit drug cost utilization data from the previous calendar year to a state agency that will collect, verify, and summarize the reported data. The state agency will be selected by the Office of Financial Management.	Rep. June Robinson
WA	SB 5586	Placed on Second Reading	Transparency	Would require issuers and drug manufacturers to report prescription drug pricing data to a data organization contracted by the Office of Financial Management. Would require the data organization to summarize the prescription drug pricing data and provide reports to the legislature and the Office of Financial Management.	Sen. Kevin Ranker
WA	SB 5401	Referred to Health and Long Term Care Committee	Transparency	Would require issuers and drug manufacturers to report drug pricing data to a data organization contracted by the Office of Financial Management. Would require data organization to summarize the prescription drug pricing data and provide reports to the Office of Financial Management and Joint Select Committee on Health Care Oversight.	Sen. Anna Rivers
WI	SB 669	Referred to Committee on Insurance, Financial Services, Constitution and Federalism by Senate President	Pharmacy Benefit Managers Transparency	Would prohibit a pharmacy benefit managers or other entity that administers prescription drug benefits from prohibiting or penalizing a pharmacy or pharmacist for disclosing to the consumer information about the cost of the prescription drug, availability of therapeutically equivalent alternative medication and alternative methods of purchasing the prescription drug.	Sen. Janet Bewley, Se. fred Risser, Sen.Lena Taylor
WV	SB 46	Passed Senate, Ordered to House Judiciary	Pharmacy Benefit Managers	Would permit pharmacist to inform customers about lower cost alternatives to prescribed drugs. Would limit the ability of pharmacists and pharmacy benefit managers to charge retail prices for drugs in excess of the price paid for the drugs by pharmacist or pharmacy benefit managers.	Sen. Sue Cline
WV	HB 4287	Referred to House Judiciary	Pharmacy Benefit Managers Transparency	Would prohibit a contract between a health care provider and pharmacy benefit manager from containing a provision prohibiting disclosure of billed or allowed amounts and reimbursement rates or out-of-pocket costs to consumers. Would prohibit pharmacy benefit manager from placing a trademark or logo on medical and prescription drug card.	Del. Gary Howell
WV	HB 4294	Referred to House Health and Human Resources	Importation	Would design and establish a wholesale prescription drug importation program. Would permit the state to designate a state agency to become a drug wholesaler to import pharmaceuticals from Canada to provide cheaper drugs to West Virginians.	Del. Mick Bates
WY	HB 107	Withdrawn by Sponsor	Pharmacy Benefit Managers Transparency	Would prohibit insurers and pharmacy benefit managers from penalizing pharmacy or pharmacist for disclosing to the consumer information about the cost of the prescription drug and availability of therapeutically equivalent alternative medicine or alternative methods of purchasing the prescription drug. Would insurance drug out of pocket costs to the lesser of: the insurance benefit cost sharing, the amount the insurer or pharmacy benefit manager will reimburse the pharmacy for the dispensed drug or the price that would be charged in the absence of any insurance coverage(the cash price).	Rep. Dan Kirkbrid, Rep. Theodore Blackburn, Rep.Landon Brown, Rep. Dan Furphy, Rep. Lloyd Larsen, Rep. Patrick Sweeney, Rep. Dan Zwonitzer
WY	SF 088	Failed	Importation	Would require Department of Health to study how to gain federal approval to import prescription drugs from outside the U.S. As part of the study, the Department of Health will: identify prescription drugs with potential for consumer savings through importation; estimate potential consumer savings based on importation; identify potential contractors capable of distributing imported drugs; consult with Department of Agriculture, Department of Revenue, Board of Pharmacy, representatives of pharmaceutical industry and patient advocates; and consult with Attorney General about potential market manipulation.	Sen. Chris Rothfuss
